Response to Notice of Drawing Inconsistency with Specification

Dear Sir:

In response to the Response to Notice of Drawing Inconsistency with Specification of 01/17/2007, please consider the following remarks:

The Notice of Drawing Inconsistency indicated that figure 5 was not listed in the Brief Description of the Drawings in the specification. However, at the time the application was published as US 2003/0103501 A1, the Brief Description of the Drawings contained paragraph [0010] which read as follows:

[0010] FIG. 5 is a flow chart illustrating the operation of FIG. 2.

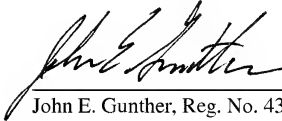

Our file does not indicate that this paragraph was ever removed from the application by amendment. However, if necessary, please amend the application to restore the above paragraph to the specification.
